## Calvary SLO

Dear Parent's,

We take the safety of your children seriously. Our "Centralized Check-In" for all the Children's Ministry Classes is easier for you, the children and the teachers. Here's how it works;

### CHECK IN

1) You'll check-in your children, all ages (8<sup>th</sup> grade and under).  
at the **Children's Ministry & Youth Canopy**.

2) You'll be given a safety measure to match you to your child;

#### **Nursery or Toddler Class**

You'll be given a *label with a corresponding number* to your child and diaper bag. \*If your needed during service this number will appear on the overhead screen.

#### **Pre school- 5<sup>th</sup> grade**

Your child will be given a *wristband with a number* which corresponds to a number that tears off for you to keep.

#### **6<sup>th</sup> - 8<sup>th</sup> Grade VERTICAL CONNECTION**

Please stop at the canopy to sign your "youth" in. They will be given a wristband and then they can head to the youth room.

### DROP OFF

1) After checking in walk your child to class as usual.

2) *Worship the Lord knowing your children are safe and are being taught God's word at their level, by a team of awesome volunteers! All of our Children's Ministry servants have been interviewed, screened, fingerprinted and trained.*

### PICK UP

1) Pick up your child in their classroom. Be sure to sign them out. If someone other than the person who dropped them off will be picking them up, they will be asked for the corresponding tear off stub.

2) **VERTICAL CONNECTION**

Please be sure to sign your youth out on the clip board immediately after service.

### \*TODDLER PICK UP\*

Toddler class parents, we have discovered that for 2 and 3 year olds an hour and a half is a long time to be away from Mom and Dad! Please pick up your toddler at 12:00, even if service is not yet over. Your welcome to take them back into the sanctuary with you. Thank you.
